## ...OUR FOOD & WHERE IT COMES FROM

At Maldron Newlands cross we really care about where our ingredients come from, and we are very proud of our careful sourcing, so we would love to share this with you.

All of our beef is certified Irish Angus, and our lamb comes from the green fields of county Kerry, which due to its soft lands and moist climate produces some of the best grass and therefore best grazing lands in Ireland.

Our sausages are sourced from Jane Russel in Co. Kildare, Jane comes from a strong tradition of master sausage makers dating back to 1863, and she only uses prime fresh cuts of Irish pork.

### Allergen Index
